A red "PLEASE NOTE" section states that the recommended browser is Google Chrome. Below this, a section titled "Users should be aware of the following:" lists three bullet points: Mozilla Firefox as an alternative, current versions of Safari and Internet Explorer working, and older versions of Internet Explorer causing issues. The page contains two paragraphs of text in English and Spanish describing the 4-H program. A "Help" section provides links to download enrollment packets for Youth, Youth Spanish, Adult, and Adult Spanish. At the bottom, there is a login form with radio buttons for "I have a profile", "I need to setup a profile", and "I forgot my password". Participation in this project is voluntary and your child may participate in the 4-H YDP even if he/she does not participate in the research and program evaluation. Additionally, participants may decide to withdraw from the research at any time and this will not affect their participation in the 4-H YDP. If you provide permission, information about your child from the 4-H enrollment system and the 4-H Online Record Book may be used for research and program evaluation. There is no direct benefit to the participant; the information gained from the research may be used to help improve the program.

All survey and demographic information will be stored on a secure encrypted server with restricted access. Names and other identifying information will be removed from all files. Your child's participation will be kept confidential, and will not be identified in any publication or in any data files shared with other researchers. If you decide to withdraw your child from the research all data will be withdrawn from the research database.
