Bay Coast Area Events

- 4-H Citizenship Weekend, which was September 16th-18th, was a success! Thank you to all of the amazing adults and kids on staff who put so much hard work into this event!
- State Leader's Forum is coming up, November 11-13th in Santa Rosa. The Bay Coast Area will be hosting a town hall to answer any questions, introduce the new structure, and receive input for the upcoming year.
- National Youth Science Day is coming up on October 3rd. Contact your local 4-H Office to see if your county is hosting an event!
- The Bay Coast Area Committee held a call September 25th to discuss the structure of Area Presentation Days. We have decided to have two, one at Cal Poly, San Luis Obispo for southern counties, and one in Eastern Contra Costa county for the bay area counties. More information to follow!

State Management Board Updates

- County dues have been set at \$200 for every county. This money will go back towards the counties by funding programs, events, and scholarships for the youth of California 4-H.
- All area event registration will be phased- this means that events will be open to their former sections first, then the new counties in the area, and lastly, statewide. This means that regardless of current areas, any youth can still attend LCORT, CAL, TIC, etc.

I am currently making the rounds to visit County Council/ Management Board meetings to introduce myself and answer questions. If you would like me to attend your meeting contact me at tbaldwin4h@gmail.com!
